Membership in Naturally California is subject to the approval of the club owner. Memberships are one year in length, and require concurrent membership with the American Association for Nude Recreation. Naturally California is a Nudist Travel Club, and is open to all individuals who believe in the same concepts of nude recreation and the nudist lifestyle. Membership is limited to people age 18 and over. Children under 18 are welcome to attend most of our events under the supervision of a parent or legal guardian. Behavior at club sponsored events is that in which no apology is necessary.

I understand that membership in Naturally California is "at will" and may be terminated at any time, with or without cause by either the club or the member. Memberships are non-refundable and non-transferable. Participation in sports or other activities at Naturally California events is at your own risk.
